

ACVA Online™ Vision Statement

Our vision for the American College of Vedic Astrology™ is to promote the study of Jyotish through certification programs and on-line education.

What is ACVA Online™?

The American College of Vedic Astrology™ Online classes enable learners from around the world to increase their skills and knowledge of Jyotish via the internet.

Prerequisites for Learning Online

- Must be able to read and write in English
- Must be able to access the Internet with beginning computer, email, and word processing skills.

ACVA Online™ classes are certification seeking.

The online courses are designed to prepare learners to meet all the requirements to sit for the AVCA Level I and Level II Online Certification Examinations.

Benefits of eLearning Vedic Astrology

- 24/7 class availability and convenience—especially helpful for international learners
- Is reasonably priced. Eliminates extra learner costs associated with travel, lodging, etc
- Courses are created by experienced educators and Vedic Astrologers using proven methods of instructional design.

Learn Vedic Astrology Anywhere! Anytime! Online!
